COURTESY.

The Spirit of Friendship.

This store looks upon its patrons not merely as customers but as friends. People purchase here because they have friendly feeling for this store.

The cause which develops this friendly feeling, may differ, in fact, they are sure to differ. One's friendship for the store is the result of finding good values; another's is the result of efficient service and courteous treatment, and so on.

Naturally this friendshiply feeling on the part of our patrons is reciprocated on our part. And this spirit of mutual friendship is an impetus for greater service and an incentive to ever-increasing endeavor to make this store a place where every visitor will feel perfectly at home.
